

Got Wrinkles?

Consider taking part in a clinical research study for Crow's Feet Lines.

You may qualify to participate in this voluntary research study if you are:

- At least 18 years of age
- Have moderate to severe crow's feet lines
- Never been exposed to any botulinum toxins

Study participants will receive study medication and study-related exams at no cost.

Compensation for time and travel may be available.

CROW'S FEET LINES RESEARCH STUDY
