

# Living with Hidradenitis Suppurativa?

Virginia Clinical Research, Inc. is recruiting volunteers ages 18+ for a clinical trial investigating an oral study medication for those diagnosed with Hidradenitis Suppurativa (HS).

**Some Requirements Include (but are not limited to):**

- ✓ Male/Female 18+
- ✓ Diagnosis of HS for at least 1 year
- ✓ Have presence of HS lesions in at least 2 different body areas (*ex: Left and right underarm, left underarm and groin, etc.*)
- ✓ Had an unsatisfactory response to oral antibiotics for treatment of HS

**This HS study lasts approximately 20 weeks with 7 visits to our office. Compensation for study-related costs and travel may be available for those who qualify.**

*Please contact us for more information!*
