

Living with Pattern Hair Loss?

Participants will be paid up to \$1200 payment for their time in the study

WHAT IS PATTERN HAIR LOSS?

Half of women experience some form of pattern hair loss throughout their life. Female pattern hair loss often starts with thinning/loss at the center of the scalp creating a pattern that widens. See if you qualify by contacting us.

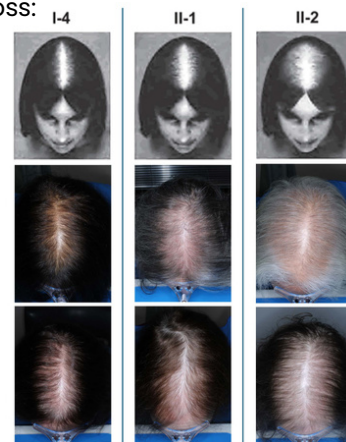

QUALIFIED PARTICIPANTS MAY RECEIVE:

- ✓ Study-related examinations by a board-certified study doctor or qualified personnel.
- ✓ All study visits and study medications at no cost.
- ✓ If you qualify, you may receive compensation for each completed visit. Compensation up to \$1200 after all visits and procedures complete.

Participate in Hair Loss Clinical Trial today!

WE ARE LOOKING FOR PARTICIPANTS WHO ARE:

- ✓ Females, 18 - 65 years of age, inclusive.
- ✓ Living with this type of pattern hair loss:

STUDY INVOLVES:
